

Business Researcher

Frontier is a UK-based business research and information firm covering emerging markets.

We launched our Egypt coverage in early 2016 with a subscription service on the energy and power sectors, and are planning to expand our range of products.

We are now looking to hire a Business Researcher to join our team and work on our subscription and report products, with a specific focus on the real estate and construction sectors.

The job will involve:

- Monitoring Arabic and English-language news and information sources
- Writing and translating a range of content
- Contacting and interviewing companies and government bodies
- Researching and writing company profiles
- Collecting economic, business and trade data
- Attending conferences, trade fairs and other networking events
- Working closely with other staff
- Helping to produce quarterly reports and analysis

The ideal candidate will:

- Be a native Arabic speaker with excellent written and spoken English
- Have at least 2-3 years of relevant experience, e.g. business writing, market research
- Have a solid understanding of key Egyptian business and economic issues
- Have excellent attention to detail and accuracy
- Be comfortable with speaking to and visiting companies and government bodies
- Be motivated by working in a small team with potential to grow over the coming years

Salary: Dependent on experience

Start date: July-August 2016

Interested applicants should please send a CV and short covering email to Alex Warren at alex.warren@frontiermea.com
